Dedication

To the leadership of all churches who have given their members recognition and a platform to use their gifts and calling. Remember the Church is a body, a living organism, needful of the callings and anointing of God on the lives of its members. I extend my thanks and may God richly bless you. This is one of the many purposes of the Church, which is to train and fully equip the saints and leaders. Jesus called the twelve disciples. He trained and developed them for ministry. As a result, we too have the mandate to make disciples of all men.

Special acknowledgements to Dr. Victoria Lee-Johnson and the Saints of Values “World” Ministries for developing ministers and leaders for the perfecting of the saints, for the work of the ministry.

“For the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ.”

Ephesians 4:12

Forward

Crisis in the church is speaking directly to the issues and concerns in the local body of Christ. This book evokes questions that each leader must answer. Why do manmade rules exist in the Church? Why is there racism when we are to praise and give only God the glory?

Pastor Paul Caprietta book is a must read so that our mindsets will undergo changes because souls are in need of being saved but how can they accomplished this if the Church as we know it is in a state of Crisis.

Crisis in the Church should not be in any Church except for a crisis to have a plan to save and win souls for the Kingdom of God.

God bless you Pastor Paul Caprietta, with the writing of this book. We need to reflect on any Crisis in our local Churches, ministries and change.

I am always lifted and inspired by the books that are authored by my brother in Christ, Pastor Paul Caprietta. He is truly chosen by God and I refer back to his writings on a regular basis to reassure my own sermons. All of the books are excellent including “Crisis in the Church.” I thank God for him and his family. To God be the glory. He that win souls is wise.
