

Dedication

I dedicate this book to Pastor Edward A. Smith and First Lady Vanessa Smith of Zoë Christian Fellowship of Whittier, California as my spiritual covering and mentor. In addition to furthering the work of God and helping to build His Kingdom. I truly respect him as a tremendous man of God for helping to build strong marriages with his precise and life changing messages. In addition to all of his spiritual insights in preaching and teaching the word of God, he has displayed tremendous compassion for the lost. These actions in turn, have created an organizational culture that loves people, and one can see this being displayed on a daily basis at Zoë Christian Fellowship.

Thank you very much for your labor of love.
